Sir,

Additional teachers- Sanction requested.

I have the honour to state that in recent times the strength in Schools has considerably increased. It is found impossible to cope with the situation. The educational authorities are very often bringing to my notice the necessity for the sanction of additional teachers. I placed the subject before the Meeting of the Board to sanction additional strength in staff owing to the abnormal increase of students in Schools. The Board find it impossible to sanction additional staff owing to the slender resources of the Board and requested me to address the Government to grant subsidies for additional teachers. I therefore request that you will be good enough to sanction recurring subsidies amounting Rs. 3000-0-0. per Annum.

I have the honour to be

Sir,

Your Most Obedient Servant
